### **Old Business:**

Jon (N00FJ) requested information on the trailer after the heavy rains. Don (KM0R) reported no leaks. Jon also mentioned several items that would be good to have for the trailer – Jack Stands, Push-Up Antenna, different tie downs for the generator, hooks for coax and power cords on the right side, and a storage bench on the right side over the wheel well.

Field Day went well. We had 20 members in attendance and over 100 QSO's. Myron (W0ZH) supplied two antennas, Tim (W0TES) supplied hot dogs and did the cooking. Jon (N00FJ) asked about signage for our special events and showed several examples he had researched. The question was deferred until more members could be present for discussion.

Two hamfests were mentioned: Warrensburg 18 Jul, Information at: [WAARCI.ORG](http://WAARCI.ORG) and Washington on 19 Jul. Information at [ZeroBeaters.Org](http://ZeroBeaters.Org).

### **New Business:**

Joe (KC0WGB) made the Net Report. We had 4 sessions, 55 check-ins, and 4 messages passed.

Respectfully Submitted,
