WOW is just telling how sweet it was. The December meeting was held at the Country Kitchen Restaurant and boy was it interesting. That is the kind of meeting I like to attend. We had in attendance 25 great people.

For some reason everyone was very friendly, must have been the good food.

I think this was the largest December meeting I remember. If you just didn't make it you sure missed a good one.

Remember, the January meeting is also a good one to be at. This is where you can elect some one to help guide the club for the next year and if you don't get there to vote then you have nothing to complain about. Be there to support YOUR club. Also if you are not there you just might be an officer and not know it HI.

LOOKING FOR GREAT THINGS IN 2003.

No VE'ing in December but plan on it in January.
