

SQUELCH TALE

Central Missouri Radio Association

KØSI 146.76(-) PL 127.3

www.k0si.net

January, 2008

The Central Missouri Radio Association is the oldest Amateur Radio Club in the Columbia, Mo. area. Check out our web site at: www.k0si.net.

If you have ideas for Web content, send them to Jim, WYØB.

To submit articles for this newsletter contact KCØLCS, Nathan, at the next club meeting or at kc0lcs04@yahoo.com. Also, if you have any changes in your address or method of receiving the newsletter, please contact Nathan.

CALENDAR

Our regularly scheduled monthly meeting is normally held at **Boone Electric** on the 2nd Tuesday of the month at 7:00 p.m.

Each Monday evening (*except the Monday preceding the meeting or holiday*) join with the members at the club station on Worley St in the Red Cross building basement.

Each Wednesday is Club Net at 9:00 p.m. If you're interested or willing to volunteer for Net Control or if you have questions, contact WMØH, Dewey.

If you have not **renewed** your membership for 2008, see the treasurer, Bill Anglen, KCØACS, at the meeting, or mail a check for \$20.00, (\$25.00 per family) to: CMRA; P.O. Box 283; Columbia, MO. 65205.

Upcoming Hamfests:
January 19th: St. Joseph, MO
January 26th: Collinsville, IL

DECEMBER MINUTES

The club had our annual Christmas dinner meeting on the 11th at Golden Corral. It was a good time of food and fellowship. There was no official business at this meeting. Despite the winter weather, a pretty good size group was still in attendance. Everyone had a great time.

That's all the minutes for this month. Hope to see everyone at the January 8th meeting!
73's, Nathan KCØLCS

Newsletter Tidbit:

The following was reported in the HandiHam e-letter of 12/12/07.

Peter Dahl Co. going out of business
K2ESE reports in the W4OVH Digest that the Peter Dahl Co. is going out of business. "I just finished talking to the Peter Dahl company and was informed that Peter Dahl Co. is going out of business on 12/31/07. .." "This will be a big loss to ham radio. His products were the best and no one else is picking up the slack. In all probability will see something from the Chinese on the market in the future. Another piece of America and Ham radio gone forever!"

The story is also on ARRLweb: <http://www.arrl.org/?artid=7889>. Dahl has been designing specialty transformers and reactors for over 35 years, and has been a licensed Ham radio operator, K0BIT, since 1955,

currently holding an Extra Class license. He also holds a Bachelor of Electrical Engineering from the University of Minnesota. Dahl, 67, is suffering from Parkinson's Disease.
