| V.P.     | KM0R, Don    |
| Treas.   | N0EG, John   |
| Rec Sec. | WM0H, Dewey  |
| Cor Sec. | AB0IV, Mike  |
| Web Guru | WY0B, Jim    |
| Mem@Lrg  | KC0ACS, Bill |

### Minutes From the June

Meeting opened at 7PM  
Introductions all around Minutes  
read Hamfest: no response as yet  
from vendors that letters were  
mailed to. Earl Ebbe donated his  
Collins station to the club to do  
with as it see's fit. Thank you so  
very much from the CMRA.  
Field day - John needs help. (see  
comments on field day at the end  
of the minutes We voted on an  
amendment to the constitution on  
the way a person is voted into the  
club. We hope to have a copy of  
the constitution to give each and  
every member at the July club  
meeting so come if you want your  
copy. New business: Kids Day.  
Don and Greg will have the club  
station open for Kid's Day so  
bring your kids for some great  
fun. I guess "had" is a better word.

### FIELD DAY 2001

Boy did we have some fun on  
field day this year. There were  
several that stayed the night and  
did they rack up the contacts.  
WHO EVER SAID THE CW  
WAS A DYING MODE  
SHOULD STAY UP AND

### LISTEN ON THE RADIO.

There were more contacts made on  
CW than on SSB. The food was  
fantastic, the fellowship was great  
and the bugs were few. Sure wish I  
had a picture of Jim on top of the  
truck putting up the antenna and  
John asleep in the chair. We did  
have a couple of kids visit from a  
gathering at another shelter and also  
had Jim McNabb visit. My foot is  
OK now, still have a circle from the  
pole that I dropped on it and Mike  
didn't swell up this year.  
Plan for next year. You can view  
pictures of Field Day 2001 at:  
[http://members.socket.net/~ccom2/  
Ham/FD2001/](http://members.socket.net/~ccom2/Ham/FD2001/)

Dewey  
WM0H

### VE CORNER

Well folks if you have waited for  
the code test to down then now is  
the time to take your test. As of  
July 1, 2001 the code test will  
change. The character speed  
changes from 18WPM to 15WPM,  
now that should encourage all non  
code hams to upgrade. And if that  
isn't enough the audio range will  
now be around 750 Hz. That's two  
incentives to get with the code. Just  
look how much fun can be had on  
Field Day next year. Plan ahead.  
Well thats all I have for this time,  
see you at the club meeting on July  
10th.

Dewey  
WM0H
